

# Got skills?

This 10-week group, Got Skills, helps you learn how to communicate better with friends and family, and how to avoid problems and conflicts in school. This professionally-led group will talk about ways to make and maintain friendships, and understand what's important in our families and our lives. We can help make life easier for teen boys ages 13-17.

## Enrolling Now!

To register, contact Ingrid Burke at (973) 441-0886
